REPORTS:

Corina O, Chairperson: Corina encouraged group members to spread the word about flagging basket contributions

KCC:

Will R. Treasure

Baskets were low again in February. We are bringing on average 500.00 a month less than a year ago. There was much discussion about how to increase basket contributions- passing the basket twice in meetings as well as special events and “change nights.’ The current financial situation will be featured in the group announcements to encourage secretaries to pass the basket twice and remind the group of the necessity of being self supporting.

We brought in 293.05 from the Valentines Dance after expenses. Will thanked the steering committee meeting for their contribution last month of over 90.00 dollars.

Jennifer G Finance Coordinator:

After a meeting with the Landlord rent will not increase this year. This may extend until 2015. The new lease will be signed next month.

David G GSR:

The annual SNL Group Inventory was held last month. Minutes from the meeting will be posted soon. The annual preconference sharing session will be scheduled for next month. The GSR did not attend PRAASA in Los Angeles this year.

Jennifer submitted John's detailed report in his absence. We stayed within budget. We are looking into permanent soap dispensers and purchased a new floor mat. See attached report for exact details.

Jeremy Facilities Coordinator:. It was an active month for facilities. A date and time was announced for the planned painting of the facility. There will also be a number of "sprucing up" tasks performed this month. Jeremy requested 50.00 for paint and asked for volunteers to help with chair repair, drills and labor.
