

**SATURDAY NIGHT LIVE GROUP
STEERING COMMITTEE AND BUSINESS MEETING
MINUTES
June 12th 2010**

The Group Chair opened the meeting with a moment of silence followed by the Serenity Prayer. The roll was called and the 7th Tradition basket was passed. The Group Secretary read the minutes from the May 8th 2010 business meeting. A motion was made to accept the minutes. Motion passed.

REPORTS:

Chairperson:

Secretary: no report

Treasurer The monthly report covered both the Treasurer's report and the Finance coordinator. It was a positive month. Contributions exceeded expenses by more than \$500.00. The annual SNL Picnic was completely self-supporting with ample donations coming directly from group members. A quick look at the year-to-date revealed we are on target to meet our budgeted expenses. Passing the basket twice during meetings has helped improve our monthly contributions. It was noted that basket monies have been on a downward trend for the last two months.

Finance Coordinator: see above.

Lease Liaison: Jimbo presented to the group a "hard copy" of our current lease agreement.

This agreement is good until April of 2014! Jimbo thanked group members in dealing with various issues concerning our responsibilities as tenants at Dick's Center. We also have a "gentleman's-handshake agreement should our current landlord become unavailable due to health issues. His brother will honor our agreements.

GSR: Our GSR reported on the outcome of the annual General Service Conference in New York. Our group conscience closely mirrored the conference motions. Highlights include: developing literature aimed at agnostics, reviewing the contents of the book "Living Sober", and possible conference theme-"Anonymity in the digital age." The final "hard copy" conference report is expected in mid September.

Intergroup Representative: Planning has started for our annual Unity Day picnic in late August.

H&I. The H&I coordinator has developed a area on the bulletin boards to disseminate information about H&I meetings and service openings in Santa Clara county. Please contact the coordinator if you need more detailed information about commitment requirements.

PI/CPC: SCYPAA announced a PI information/workshop meeting the evening of June 12th.

Birthday Coordinator: no report

Events Coordinator: The picnic was a great success. There was a big turnout with lots of members pitching in with labor and contributions. Next year it might be wise to get a small PA system. Thanks to all who participated!

Planning and fundraising is beginning for our 30 year anniversary celebration.

SNL provided desserts at the Santa Clara county founders day events.

Refreshments Coordinator: John has soldiered on a Refreshment coordinator for another month in lieu of a group member making themselves available for the commitment.

We have kept refreshments under budget this year. John again thanked group members for donating directly to the refreshments. He also wanted to remind the group, "if you feel buying a roll of toilet paper for the group-BUY IT!"

What's on Your Mind?

A member expressed concern that meetings are losing focus when chair people don't pick a topic other than their "personal story". SNL has a long tradition of topic discussion meetings and secretaries need to remind members to speak to the topic!

A group member reminded everyone to check for clean bathrooms after meetings and make sure the lock on the dumpster is in place.

Meeting was adjourned with the Lords Prayer.

Respectfully Submitted,
