

**SATURDAY NIGHT LIVE GROUP
STEERING COMMITTEE AND BUSINESS MEETING
MINUTES JUNE 11TH 2011**

REPORTS:

Chairperson: “It’s been an honor serving as Group Chair. It’s been a very interesting year in my relationship with SNL. There is still a lot of work that needs to be done to insure the continuation of the group. Thanks to everyone for all of your support.”

There was a “plethora” of negative stuff last month. One and possibly two disruptive and dangerous individuals have been reported to the STOP program. We are looking at ways to coordinate with local law enforcement crime prevention bureau to manage the situation on the property.

Secretary: no report

Treasurer The old account is finally closed. The Birthday picnic brought in 473.00 in needed cash. Online banking has been setup and a limited ATM card for refreshment purchases. Coffee expenses doubled in recent months. There was a lengthy discussion about account security and electronic funds transfers. A scheduled audit is planned with the new finance chair and group chair.

Finance Coordinator: Jennifer thanked the group for the service opportunity. “This is a great position, somebody please take it.”

GSR: The Area continues discussion about a treatment and facilities committee. We brought a motion to the Area to post the CNCA comments on the website.

Intergroup Representative: Founders day event is coming next week. The play “In Our Own Words” is planned for July. The annual Unity event is planned for late August. Central office always needs volunteers for the diverter and 12step lists.

H&I. Possible service positions are listed on the side board. H&I factoids: Local H&I is second to none in literature purchases for those confined. Other parts of the country are looking at our committee as a model to make H&I more effective.

BTG needs volunteers, and contact Raymond to find out about the prison “penpal”

program. They especially need male volunteers.

Tom gave some price estimates on possible new flooring materials, a new light fixture out back, new faucet. The group chair suggested that appropriate committee members get together to create a proposal for possible room renovations.
